Finally, could I please ask everyone to turn their mobile phones into silent mode.

2 Apologies for Absence

Castlefields and Martin Blizard (Vice Chairman). All other clubs were represented together with the President/Treasurer, Chairman, and League Secretary/Fixtures & Results Secretary.

3 Minutes of 43rd AGM and Matters Arising

These had been made available for viewing/downloading from the League website homepage and as an attachment to emails sent out and so were not read out. There were no matters arising and Oswestry Church proposed and Atcham seconded that they be accepted as a true record.

4 President's Annual Report

Thank you to all clubs for again supporting our League in 2025 and thankfully very few problems arose and those that did were dealt with quickly and efficiently.

Congratulations to all those teams and individuals receiving awards today.

On behalf of all clubs, a special thank you to Chris for all his hard work as Secretary, Fixtures/Results Secretary and Competitions Organiser throughout the past year

Many thanks to Roger as Chairman and Martin as Vice Chairman.

Thank you to Meole Brace BC who provided their facilities for most of our competitions the support of which was quite overwhelming. Also, a big thank you to Old Shrewsbury BC for allowing us to host some of the semi-finals and finals matches of the Team K/O comps and also for allowing us to hold this meeting in their function room.

Finally, best wishes to you all for the coming season.

5 Chairman's Report

The Chairman, Roger, echoed Margaret's thoughts and indicated that he had nothing to report not covered by the Agenda but felt that the League was in good shape with a strong management team running it and wished everyone the best for the 2026 season.

He mentioned that it would be nice if someone would come forward to take over as Competitions Organiser or to assist Chris with this onerous job.

6 Hon. Secretary's Report

First of all, I'd like to thank my fellow officers together with all clubs, teams and players for their help and support throughout the 2025 season

We are fortunate that Salop Leisure continued to sponsor us and hopefully they will continue their generous sponsorship this year and I will be writing to them later this week

My apologies for one error in this Agenda plus an omission. The error is under Item 12D which states that the Sponsors Shield was held between Battlefield D and Meole D when it should say Llanymynech B against Old Shrewsbury B and the omission is under Item 15 which is new teams joining the League and Baschurch have confirmed that they will be entering a third team this coming season

That's all I have to say and wish you all the best for the 2026 season

7 Treasurer's Report

The Treasurer, Margaret Cooper, confirmed that the Statement of Account had been prepared and just needed signing by Paul Adams (Battlefield). A copy is included on page 6 of these minutes.

Margaret emphasised that the sponsorship money of £350 from Salop Leisure was an enormous help in keeping our subs at a very low level but that we must not ever take it for granted.

Thanks to increasing the subs for the 2025 season, the deficit for the year was reduced to only £30.67, and because of this, Margaret proposed that subs for 2026 would stay the same at £35 per team and this was unanimously passed by those present.

Margaret pointed out that the Honoraria to be paid to some League Officials needed to be approved at each AGM and so she proposed that they remain the same as the previous year at £50 for the Secretary, £50 for the Treasurer, £100 for the Fixtures/Results Secretary and £50 for the Competitions Organiser and this was unanimously carried.

Margaret reminded everyone that subs could be paid after the end of the meeting or no later than immediately prior to the Pre-Season Meeting at Meole Brace BC on 9th March either by cheque or cash. Anyone wishing to pay by online transfer could do so and she gave out the bank details which were: NatWest Bank, sort code: 51-61-06, account number: 76929744, name of account: Shrewsbury Senior Cits Bowling with the name of your club as the reference.

Finally, Margaret announced that after 21 years as Treasurer it was time to hand over to somebody new and under Item 11 would be proposing Paul Adams (Battlefield) as Treasurer. Paul is well known in the bowling world and is Treasurer of the Tanners League. She asked Paul to stand up so those who don't know him would recognise him in the future and he jovially mentioned that he doubted he would be able to give 21 years of service like Margaret!

Hanwood proposed and Oswestry Church seconded that we adopt the Statement of Account as presented and this was passed unanimously.

8 Results Secretary's Report

This season we were up to 61 teams having welcomed Craven Arms C, Llanymynech B and Old Shrewsbury B to our League

The season went extremely well with no major problems and just a handful of postponed matches and all match results were entered on time. However, Chris felt that the rule regarding postponed matches needed tightening up and so he presented a notice of motion at the end of season meeting which was fully discussed and approved as a notice of motion for this AGM and so will be voted on under Item 13A of this Agenda.

The fixtures for 2026 will as usual be formulated on the afternoon of 28th February and published online the same evening.

9 Competition Secretary's Report

The **Singles** competition was held at Meole Brace with a healthy turnout of 32. The main comp winner was Ian Foster (Battlefield) who beat Nick Marshall (Prince Hotel) and the consolation winner was Roger Candlin (Llanymynech) who beat Den Walton (Pontesbury).

The **Doubles** competition, also at Meole Brace, was not as well attended as usual with 17 pairs taking part. The main comp winners were John Wycherley and Steve Birch (Crescent) who beat Martin Blizard and Andy Corfield (Meole Brace) and the consolation winners were Alan and Sue Potter (Pontesbury) who beat Roger Candlin and Sue Barker (Llanymynech).

Presidents Day, again at Meole, was as usual a great success with 28 participants. The winner was Jill Bishop (Meole Brace) and President Margaret presented Jill with the Bill Garratt Presidents Cup and an engraved tankard.

Team K/O comps finals: The Dick Meyrick was held on OSBC No 1 green and won by Castlefields who beat Prince Hotel B. The Ron Smout was held on Meole No 1 green and won by Bicton A who beat Shelton A. The Sponsors Shield was held on Meole No 2 green and won by Llanymynech B who beat Old Shrewsbury B. A minor rule change regarding these three competitions was put forward by Oxon at the end of season meeting and will be voted on under Item 13B of the Agenda.

The **Dixon Cup** annual inter-league match v Mid Shropshire Seniors was this year played in the Telford area at Sinclair BC where we won by 20 chinks and drew 6-6 on games.

I would like to thank Meole Brace BC and OSBC for allowing us to use their greens and facilities once again this season for which I am very grateful.

13 Notices of Motion:

A Proposed by the Secretary and seconded by the Chairman: Rule 10(h) to now read:

When rearranging a match, the relevant team Captain must first inform the Results Secretary, then contact their opponents to agree on a new match date within 15 days of the original match date (in the case of a penultimate week match within 8 days) and then inform the Results Secretary of the new agreed playing date. However, if the match is the last match of the season, a postponement will not be allowed except for weather/ground conditions or a funeral affecting the team, although in the latter case the match date should be brought forward if at all possible.

If neither team can agree on a new playing date then each captain must put forward three playing dates and each pick one date from the other captain's suggested dates and then play the match on two separate dates using a 3-3 format or, if both teams agree, a 4-2 format.

Where a rearranged match has not been played within the 15 (or 8) day time period, the Fixture Secretary will automatically impose a penalty deduction of three points to both teams followed by 1 point per week until the match is played. The deduction(s) will be applied from their accumulated points scored to date.

No points deduction will be incurred where a match has to be rearranged due to:

1) weather/ground conditions, 2) a death or funeral affecting the entire team, 3) one or more team players selected by the County Association to play in a Veteran's Competition or 4) for health and safety reasons approved by the Results Secretary.

A 3 point penalty deduction will be incurred by the team initiating the rearrangement of the match for any other reason (especially shortage of players) or conceding the match (other team to receive 8 points for the walkover). The deduction will be applied by the Results Secretary from their accumulated points scored to date.

Non-conformance of any part of this rule will result in the Executive Committee assessing the individual situation and then additionally penalising one or both teams in accordance with Rule 14. **CARRIED**

B Proposed by Oxon and seconded by Baschurch: third paragraph of Rule 11(c) to read:

Up to and including the quarter finals, matches will be played at only one venue where the home team is allowed to practice before the match but each away team player will have the jack and the away team may receive additional aggregate points to be added to the final score once the individual games have been completed. If the two teams play in the same division the away team will receive 12 points, if the away team plays in a division higher they will receive 6 points, if they play two divisions higher they will receive no points; if they play in a division lower they will receive 18 points and if they play two divisions lower they will receive 24 points. Where two teams from the same Club playing in the same division are drawn together no points will be awarded to either team. If however they play in different divisions the LOWER placed team will be awarded 6 points per divisional difference. Both teams will be allowed to practice and both teams will lead with 3 jacks having first tossed for odds and evens. The semi-finals and finals will be held at neutral venues selected by the Executive Committee where normal match play rules will apply. **CARRIED**

14 Existing Clubs Withdrawing from the League

Atcham and Preston Brockhurst confirmed that they might be withdrawing a team(s) from the League in 2026 although the deadline for notifying the Fixtures Secretary will be 12:00noon on 28th February to enable the 2026 fixture lists to be published later the same day.

15 New Teams Joining the League

Baschurch and Craven Arms indicated that they hoped to field an additional team in 2026 and would confirm with the Fixtures Secretary no later than 12:00noon on 28th February.

16 Date of next Meeting
