Best Kept Green Competition 2024

Due to an unfortunate
'glitch' there were only
4 entries this season

**THE 4 GREENS ENTERED WERE
Calverhall, Malpas Farmers, Tilstock and
Whixall.**

**The greens were independently marked
out of 65 points**

**The winner by just 2 points was Tilstock
followed by Whixall, Calverhall and
Malpas Farmers.**

**Due to the small number of entries
Tilstock have declined to accept any
prize money**

Secretaries Report

Another season has passed - it has been a testing one weatherwise, but many thanks to the club secretaries with prompt notice of postponements & updates on rearrangements.

Reminder to keep your club pages up to date on the website with e-mail addresses and mobile phone numbers.

Most frequently asked question is 'I cant find the contact details for xxx' Most of the time it is because you haven't logged on with your club number. Once you do this it opens up a secure page with all the details you need.

Many thanks to the members of the committee for their support, and to Chris for her invaluable assistance during the season. It has been difficult at times not knowing the leagues as well as I would like.

Finally, congratulations to all the winners, but most of all hope you have had an enjoyable season
